Upcoming Meetings

The HOGA Citizen's Review Panel is meeting on Thursday, July 24th at 5:30 pm at the Mount Vernon Senior Center. The Panel is charged with reviewing the administration of the programs and projects included on the HOGA's approved project investment list.

GDOT in the Community

State Transportation Board members Don Grantham and Jamie Boswell discuss project status at the recent CSRA CRP meeting in Columbia County.

TIA Project Updates

The \$1.76 million resurfacing of 14 miles on Deepstep Road/CR348 in Washington County is nearing completion by contractor Pittman Construction Company. Work to date can be seen in these photos below.

TIA Project Updates

Columbia County is actively using discretionary funds disbursed directly by GSFIC for a variety of transportation improvements for their citizens. One of most recent completed projects are new sidewalks providing a safe and direct connection for elementary school students to walk to classes.

Old Petersburg Road, also in Columbia County, is one of the largest TIA funded projects to be under construction. The \$34 widening project was awarded to E.R. Snell Contractor, Inc., early this year.

TIA Collections

The latest TIA tax revenue collections have been posted along with details of local discretionary funds here:
