

# Heart of Georgia Altamaha Citizen's Review Panel

December 11, 2017

Transportation Investment Act of 2010 (TIA)  
Annual Report

Honorable David Ralston,  
Speaker of the House  
State of Georgia

Honorable Casey Cagle  
Lt. Governor  
State of Georgia

This letter serves as a report for the activities of the Citizen's Review Panel for the Heart of Georgia – Altamaha region.

The following individuals currently serve on this Citizen's Review Panel: Roger Branch of Baxley, Phil Best of Dublin, H. G. Yeomans of Swainsboro, Homer Garnto of Adrian and Billy Trapnell of Metter. The panel met three times during the year, in Mt. Vernon prior to the Regional Commission meeting; March 21<sup>st</sup> in Baxley at the City Hall, August 16<sup>th</sup> in Dublin at the Old First National Bank Building and December 5<sup>th</sup> in Metter at the City Hall. During most of these meetings, we were presented requests for Band Changes and updates on all active and planned TIA projects. All projects in Band 1 are under construction and most have been completed.

There are 276 Band 2 projects, 185 have been completed and 39 are under construction in 2017 and all are anticipated to be under budget. This is a challenge since the revenue within our Region is down 20% below our projections. It is felt this is partially due to sales tax exemptions that have been given since the projections were made. The majority of the projects were local in nature and did not have a defined benefit, however, the Department maintains that these projects were completed to accepted industry standards, as intended on the original project submittal applications, and to the satisfaction of the local jurisdictions.

Minutes of the meetings held during this year, 2017, as well as reports on the projects completed during this year are included with this letter. These minutes cover the actions taken by the Panel in reviewing the projects approved in the TIA program.

TIA Administrator Kelvin Mullins, and his staff, as well as other GDOT personnel continue to be very helpful to our communities and this panel in accomplishing the duties assigned, to improve transportation in Region 9. Likewise, Brett Manning, Ex. Director of the Heart of Georgia-Altamaha Regional Commission, and his staff have been vital to the success of this program.

The Panel feels that these projects meet the benefits that were anticipated by their respective communities.

Sincerely

Billy Trapnell  
Chairman

December 1, 2017

Citizen's Review Panel (CRP) Members  
Mr. Billy Trapnell, Chairman  
Heart of Georgia Altamaha (HOGA) Special District

RE: Transportation Investment Act (TIA) of 2010

Dear Citizen's Review Panel Members:

The Georgia Department of Transportation presents the attached update through calendar year 2016 on the Transportation Investment Act of 2010 for the Heart of Georgia-Altamaha Special District. Also attached is a summary of the completed projects in the region within the last year. This summary can be utilized in the determination of benefits by the CRP for completed projects. The Transportation Investment Act of 2010 legislation requires submittal of an annual report by the CRP to the legislators by December 15th each year.

As of this letter, 380 TIA projects have been completed in HOGA, 49 are currently under construction, and 35 are in preconstruction. Unfortunately, and as anticipated last year, revenue collections in the region have failed to meet projections. The latest revenue collections for HOGA are 21.3% less than originally anticipated. The Department has taken a number of steps to mitigate this revenue shortfall, and will continue to implement cost saving strategies wherever feasible. As a result, all TIA projects will be delivered.

We are closely coordinating with all local governments to ensure successful delivery of the program. The Department remains committed to the people of the Heart of Georgia for showing the state how to take an active role in its transportation future.

This update is provided to you for your information. Please let me know if you need further information regarding the TIA 2010 Program.

Sincerely,

A handwritten signature in blue ink, reading "Kelvin H. Mullins".

Kelvin H. Mullins,  
TIA Administrator

cc: Diana Pope, Georgia State Finance and Investment Commission  
Brett Manning, Heart of Georgia Regional Commission

## CALL TO ORDER

The TIA Citizens Review Panel meeting for March 21, 2017, was held at City Hall in Baxley, Georgia. The meeting was called to order at 11:00 A.M. by Chairman Billy Trapnell, Mayor of Metter. Chairman Trapnell welcomed everyone to the meeting and called on Homer Garnto, to give the invocation.

## INTRODUCTION OF GUESTS

Chairman Trapnell opened the meeting by having each person present introduce themselves.

## APPROVAL OF DECEMBER 12, 2016 MEETING MINUTES

Chairman Trapnell stated that the Minutes for the December 12, 2016 TIA Citizens Review Panel Meeting had been mailed out to all Members and he would entertain a motion for approval. A motion was made by Homer Garnto and seconded by Roy Herrington to approve the Minutes, as mailed. The motion passed with no opposition.

## TIA PROGRAM REPORT

Kelvin Mullins, TIA Administrator, gave an update on the program. Kelvin let them know that Tony Collins and Eric Wilkinson who are usually with them had conflicts and was not able to attend. He explained that we are two years in to Band 2 and that time is flying by and that Band 2 ends December 31, 2019. He stated that this July will be the five year anniversary of the passing of the Transportation Investment Act. He let them know that they had done a couple of speaking engagements since the last meeting. In January they spoke at the Heart of Georgia Altamaha Regional Commission Regional Council meeting and Kenneth spoke at the GMA Mayors Day conference in Atlanta. He stated that there is a lot of interest in TIA and T-SPLOST throughout the State. He let them know that Middle Georgia and Southern Georgia could be passing T-SPLOST. He explained that Southern Georgia has 18 counties and they need 10 resolutions to pass and currently they have 8. They are all looking to get on the November ballot. Brett Manning, Executive Director let Kelvin know that he and Rafael Nail were asked to speak at the Southern Georgia Regional Commission about TIA. Rafael stated that the Georgia Department of Transportation Planning Department was also at that meeting.

Kelvin then went over collections. He stated that total collections are over a half a billion dollars. Over \$117 million are for the Heart of Georgia Altamaha Regional Commission area. There are \$88 million for projects and \$30 million in 25% discretionary monies through January. He let them know that the one challenge we continue to have is that we are still 20% behind our original projections. He explained they are keeping a close eye on it and will continue to deliver all the projects. He let them know that he meets with upper management every two weeks to see where the programs at.

Kelvin stated that over 300 miles of roads have been paved to date. He then turned it over to Kenneth Franks to go over the projects in the Heart of Georgia Altamaha area. Kenneth let them know that there are 764 TIA projects with 100 in construction and 265 projects already complete in Band 1 and Band 2. He explained that 191 projects were

completed in Band 1 with 14 outstanding projects in construction. In Band 2 they have 75 projects complete with 52 under construction and 149 that are approaching construction. He stated that they currently have 296 miles paved so far under resurfacing projects.

Kenneth then went over some of the resurfacing projects. He stated that in February 20 projects were let with two of those projects in the City of Kite and 18 in the City of East Dublin. The bid came in at just under \$500,000 total which is on budget for those 20 projects. He stated that asphalt prices are still coming in reasonable as of now. He let them know that they are inserting 16 projects in May. Two in the Town of Pulaski, one in the City of Garfield, nine in the City of Claxton, one in the City of Daisy, and three in the City of Collins.

Kenneth then reported on some of the TIA Regionally Significant Projects. Hillcrest Parkway Widening (\$17.4 million). The City of Dublin is delivering this project. The project is currently in the right-of-way phase. This project is on schedule for the November 2017 let date; Widening of SR 87/US 23 in Dodge County from Log Cabin Road to South of SR 257 (\$6.7 million TIA). This project is on schedule for the May 2017 letting but has some federal funding issues but the project is ready and on schedule; Bridge Replacement on SR 135 over the Altamaha River (\$1.7 million TIA) this project is in the environmental stage. This project is on schedule for a June 2019 let; Bridge Replacement on Daisy Nevils Highway over the Canoochee River (\$1.7 million TIA). This bridge was recently shut down due to a current maintenance issue. GDOT gave Evans County some LMIG to help get the bridge reopened. This project will continue with a July 2018 let date. He then went over Band 3 projects – Widening of US 1 in Toombs County which is one of the largest projects that is still in the preliminary design phase. This project has a let date of Fall 2020; Passing Lanes on SR 23/57 between Glennville and Reidsville (\$10.9 million) this project is currently in preliminary design phase and should let in November 2019.

Kenneth then went over construction updates. The Oconee River Bridge is around 75% complete and in the construction phase. This project is scheduled to be finished this year. The SR4/U.S. 1 Altamaha River Bridge is 85% through construction and from his understanding they are ahead of schedule to complete before September, 2018. Wayne County SR 169 project that is local let and is 55% complete and they are on schedule to complete in November 2017. He then went over a few of the City of Baxley projects. The City of Baxley in Band 2 had 14 resurfacing projects which are complete with a total investment of \$650,000. In Band 1 they had 13 projects a little under \$500,000 which has been completed for some time. Band 3 will have an additional 18 projects which will probably be in construction around 2020 or 2021. So far, Appling County has received \$2.2 million in discretionary funds and the City of Baxley has received \$217,000 to date.

Kelvin then asked if anyone had any questions. There was then some discussion on price increase and how we would handle that in the future. Rafael Nail mentioned that after they tear the old U.S. 1 Bridge down and then in Band 3 U.S. 1 is four-laned the bridge would then be a bottle neck because it's two-laned. He asked were federal funds going to be used to build another bridge beside the new bridge. Kelvin stated that he would have to check in to that and get back with him.

## OTHER BUSINESS

Brett let the Panel know that in the packet for their information he had included the Tax Collections, Local Distributions by government, and Local Distribution by Region through January.

Chairman Trapnell commended the staff on the excellent job they have done and continue to do for our Region.

Brett asked that since we are at the half way point with TIA when we would need to look into updating our project list. Kelvin stated that he would check the law and see and we would have to come up with a new project list.

## ADJOURN

There being no further business, Chairman Trapnell asked for a motion to adjourn the meeting. A motion was made by Roy Herrington and seconded by Homer Garnto to adjourn the TIA Citizens Review Panel Meeting at 11:34 A.M. The vote was accepted unanimously.

## CALL TO ORDER

The TIA Citizens Review Panel meeting for August 16, 2017, was held at the Old First National Bank Building in Dublin, Georgia. The meeting was called to order at 11:05 A.M. by Chairman Billy Trapnell, Mayor of Metter. Chairman Trapnell welcomed everyone to the meeting.

## INTRODUCTION OF GUESTS

Chairman Trapnell opened the meeting by having each person present introduce themselves.

Chairman Trapnell asked that everyone remember Mr. Roy Herrington's family due to his passing. He stated that he had talked with his daughter and she greatly appreciated the flowers that were sent. He then called on Homer Garnto, to give the invocation.

## APPROVAL OF MARCH 21, 2017 MEETING MINUTES

Chairman Trapnell stated that the Minutes for the March 21, 2017 TIA Citizens Review Panel Meeting had been mailed out to all Members and he would entertain a motion for approval. A motion was made by H.G. Yeomans and seconded by Homer Garnto to approve the Minutes, as mailed. The motion passed with no opposition.

## TIA PROGRAM REPORT

Kenneth Franks gave an update on the program. Kenneth then passed out documents of information for the Panel. Kenneth explained that the reason Kelvin was not in attendance was because he was meeting with the Middle Georgia region helping them to finalize their constrained lists to potentially go on the ballot in November. If they don't get it on the November ballot they will try for May. He stated that the Southern Georgia region was underway as well. He said they had met with them in Valdosta on Friday and that their call for projects was currently open. They hope to coordinate with the Southern region to help them come up with a good list of projects.

Kenneth then went over the TIA Revenue Collections through June 2017. He stated that in the Heart of Georgia Altamaha Region they have collected a total of \$129 million with \$32 million in local discretionary monies and \$96 million going directly to the approved project list. The total collected for the three regions is \$623 million. He let them know that the Original Revenue Forecast for the Heart of Georgia Altamaha Region was \$163 million which puts us almost 21% behind the forecast. He let them know that they have held the budgets at the initial 2011 budget. He stated they have tried to fight inflation and tried to stay out in front of it as much as possible. GDOT is firmly in support of the TIA program and helped out on multiple projects.

Kenneth then went over the Heart of Georgia Altamaha Project Overview. He let them know that there are 764 Total Projects, 96 In Construction, and 310 Projects completed. He explained that we are almost two years in to Band 2 and this band has 276 total projects. In Band 2 a total of 154 are complete, 68 in construction, 19 in preliminary

engineering, and 35 not started. He stated they are not even half way through Band 2 but they are well over halfway through with the delivery.

Kenneth then reported on some of the TIA Regionally Significant Projects. Hillcrest Parkway Widening (\$17.4 million). The City of Dublin is delivering this project. The project is currently in the right-of-way acquisition. This project is schedule for a April 2018 let date; Widening of SR 87/US 23 in Dodge County from Log Cabin Road to South of SR 257 (\$6.7 million TIA). This project is scheduled for an August 2017 letting and GDOT will be opening bids on Friday; Bridge Replacement on SR 135 over the Altamaha River (\$1.7 million TIA) with a \$22 million total budget. This project is on schedule for a June 2019 let date; Bridge Replacement on Daisy Nevils Highway in Evans County over the Canoochee River (\$1.7 million TIA). This bridge is on schedule for a July 2018 let date. He then went over Band 3 projects – Widening of US 1 in Toombs County which is one of the largest projects with a \$102 million investment with \$59 million in TIA money. This project has a let date of September 2020; Passing Lanes on SR 23/57 between Glennville and Reidsville (\$10.9 million) this project is currently set to let in November 2019.

Kenneth then spotlighted some of the projects in Laurens County. He stated that East Dublin currently has 16 resurfacing projects that were paired with two projects in Kite and these projects are currently underway. The bridge over the Oconee River is almost 100% complete and a ribbon cutting should be held within the next two months. The County is getting ready to start on the Country Club Road widening and repaving project. He was informed that this project is already under construction. He let them know that Laurens County has several resurfacing projects going on. He informed them that the 25% discretionary monies that the governments have received in Laurens County are over \$4 million in less than five years.

Tony Collins went over some of the construction updates. Tony then went over GDOT let projects for Band 1. He stated that a project for the City of Dublin, Hodges Street, has had final inspection and is almost ready to be open to traffic. He let them know the only other Band 1 projects were the blended projects. One was the Oconee River Bridge which is 95% complete and the U.S. 1 Altamaha River Bridge. The U.S. 1 Altamaha Bridge has Scott Bridge as the contractor and they are ahead of schedule. Traffic is now flowing on the bridge and they are moving forward with the demolition of the old bridge. A few Band 1 local let projects are still under construction.

Tony then went over Band 2 resurfacing projects. He let them know that in Laurens County in February they had 20 total projects with 18 in East Dublin and 2 in Kite. In the May 2017 letting there was a total of 16 projects in the municipalities of Pulaski, Claxton, Daisy, Garfield, and Collins. Sikes Brothers is the contractors for these projects. They are hopeful to start in September. Tony stated that the bids are still okay but are struggling some. He explained they are still watching and have not cut any scopes. He let them know we are  $\frac{3}{4}$  of the way through with a lot of projects being local let. He stated they are on track with Band 2.

Phil Best asked about a Band 2 project a traffic light on Highway 80 and Springdale Road. He stated that they had to complete a traffic count study and wanted to know if

they knew what the status was on that. Tony stated they he needed to follow-up on that project and find out what they needed to do and he would let him know.

Kenneth then asked that if anyone ever hears any negative feedback about the program to please let them know. He also reminded them to check out all social media platforms for the TIA program. Tony reminded them that they like to spotlight how the locals use their discretionary money so please let them know.

#### OTHER BUSINESS

Chairman Trapnell asked will the regions that currently do not have TIA be able to write their own criteria. Kenneth stated that his understanding is that 75% goes to projects and 25% is discretionary. He explained that they have an additional rule that they will have to follow and it is that 30% of the projects have to be in the GDOT STIP program.

Brett stated that the project band changes will be addressed at the next Citizens Review Panel meeting. He explained that after the TIA Regional Advisory Committee meets and approves the changes then he would bring it before the Citizens Review Panel. Brett also handed out discretionary money sheets.

A question was asked that if a government didn't submit any projects did they still get the discretionary monies. The response was yes, they still get discretionary money.

#### ADJOURN

There being no further business, Chairman Trapnell asked for a motion to adjourn the meeting. A motion was made by H.G. Yeomans and seconded by Phil Best to adjourn the TIA Citizens Review Panel Meeting at 12:00 P.M. The vote was accepted unanimously.

## CALL TO ORDER

The TIA Citizens Review Panel meeting for December 5, 2017, was held at Metter City Hall, Metter, Georgia. The meeting was called to order at 11:00 A.M. by Chairman Billy Trapnell, Mayor of Metter. Chairman Trapnell welcomed everyone to the meeting and called on Homer Garnto to give the invocation.

## INTRODUCTION OF GUESTS

Chairman Trapnell opened the meeting by having each person present introduce themselves.

Chairman Trapnell welcomed new member Roger Branch from Baxley, Georgia.

Kelvin Mullins let the Panel know that he had taken another job with GDOT in the local grants department. He let them know how much he had enjoyed working with them.

## APPROVAL OF AUGUST 16, 2017 MEETING MINUTES

Chairman Trapnell stated that the Minutes for the August 16, 2017 TIA Citizens Review Panel Meeting had been mailed out to all Members and he would entertain a motion for approval. A motion was made by Homer Garnto and seconded by Roger Branch to approve the Minutes, as mailed. The motion passed with no opposition.

## REVIEW OF BAND CHANGE REQUESTS

Chairman Trapnell called on Brett Manning, Executive Director for the Heart of Georgia Altamaha Regional Commission to explain the band change request. Brett informed the Panel that the City of Abbeville and the City of Jesup had requested band changes.

The City of Abbeville requests to move West Neapolis Street from Band 2 to Band 3 with the funding for this project at \$39,110.

The City of Jesup requests to move South Macon Street and West Cherry Street from Band 2 to Band 3 with the funding for these projects at \$1,800,000. They also request to move the following projects from Band 3 to Band 2 - Eleventh Street with a project cost of \$148,600; Robert Hunter Circle with a project cost of \$60,000; Hunter Street with a project cost of \$16,400; Bay Acres Road Sidewalk with a project cost of \$136,000; New East Plum Street Sidewalk with a project cost of \$41,500; and New US 301 Sidewalk with a project cost \$52,000.

Brett let them know that the Regional Advisory Committee has requested that GDOT approve these changes in their November meeting. Kelvin Mullins stated that GDOT agreed with these changes also. There being no questions a motion was made by Homer Garnto to approve the requested band changes. A second was made by Roger Branch. The vote passed unanimously.

## TIA ANNUAL REPORT

Kelvin Mullins, TIA Administrator, gave a year-end update using a PowerPoint presentation. He then let them know about collections through September 2017. The total collections for the Heart of Georgia Altamaha Region are over \$136 million. The 25% discretionary funds are over \$34 million and the 75% is over \$102 million. He stated that the total collected for all three regions was over \$658 million. He explained that the Heart of Georgia Altamaha Region was behind \$21.3% from the original revenue forecast.

Kelvin then went over the HOGA cash flow for all Bands. He explained that this chart gives GDOT an idea of how to manage projects so they know when to let these projects to not affect the cash flow.

Kelvin then went over the HOGA Project Overview. He stated that there were a total of 764 projects with a project total of over \$255 million. There are 48 projects in construction, 381 projects completed with over \$77 million total expended to date. He then went over CSRA and River Valley Regional Commissions project overviews to let them know how they were doing.

Kelvin then let the Panel know about two TIA Awards they had received. He stated they had received two national achievement awards from the Construction Management Association of America. The first was for the management of 271 projects in Band 1 from across all three TIA regions. The second award was for the River Watch Parkway improvement project in Augusta.

Kelvin informed the Panel that there may be two possible additions to the TIA Regions and they are Middle Georgia and Southern Georgia.

Kenneth Franks went over the Heart of Georgia Altamaha's project overview. He let them know that 195 projects are completed in Band 1 with 8 still in construction. Band 2 has 185 complete with 38 in construction and 30 in PE. Band 3 has a total of 284 projects but already has 1 project complete with 6 in PE and 2 in construction. He then went through several slides showing projects that are completed or approaching completion. In Appling County they have the SR4/US 1 Bridge Replacement over the Altamaha River which is almost complete. It is a blended project with \$5 million in TIA dollars. He explained that in Band 3 another bridge would be built parallel to the current one. Evans County has the Daisy Nevils Bridge replacement over the Canoochee River which was let by the County and was completed in November. He then went over resurfacing projects for the City of Kite and the City of East Dublin. Another project was the Oconee River Bridge which is a new location bridge and opened October 3, 2017. This was a blended project with \$7.5 million in TIA dollars. In Toombs County the Ezra Taylor Road which was a grade, drain, base, and pave project with a \$1.1 million project cost and should be completed in February 2018. In Wayne County they have the SR 169 Widening and Railroad overpass which was let at the end of Band 1. This is a \$16 million project with around 75% complete and should be completed later on this year.

Eric Wilkerson reported on TIA Regionally Significant Projects. He let them know that six regional projects are in preconstruction and they are: Band 2 projects – Hillcrest

Parkway Widening (\$17.4 million); Widening of SR 87/US 23 from Log Cabin Road to South of SR 257 (\$53 million - \$6.7 million TIA); Bridge Replacement on SR 135 over the Altamaha River (\$22 million - \$1.7 million TIA); Bridge Replacement on Daisy Nevils Highway over the Canoochee River (\$2.2 million - \$1.7 million TIA). Band 3 projects – Widening of US 1 in Toombs County (\$102 million - \$25.4 million TIA); Passing Lanes on SR 23/57 between Glennville and Reidsville (\$10.9 million) and should let in January 2021.

Kelvin then went over the 2017 Annual Reports from GDOT which has all the projects listed, what phase a project is in and projects that are completed. He also let them know that every TIA project scheduled is still expected to be delivered. A motion was made by Homer Garnto and seconded by Roger Branch to approve the 2017 Annual Report. The vote passed unanimously.

#### OTHER BUSINESS

Chairman Trapnell and Brett Manning commended the staff on the excellent job they have done and continue to do for our Region. There was also some discussion on the other Regions who may approve this program and if they would follow the same guidelines we had to when we approved it.

#### ADJOURN

There being no further business, a motion to adjourn the TIA Citizens Review Panel Meeting at 11:58 P.M. was accepted unanimously.
