Speaker David Ralston
Senator Jeff Mullis
Representative Jay Roberts

Subject: Senate Bill 200 Progress Reports

OCGA 32-2-41.2 requires the Director of Planning to submit a semi-annual report to the Governor, Lieutenant Governor, Speaker of the House of Representatives, and the Chairmen of the House and Senate Transportation Committees, detailing the status of projects valued in excess of \$10 million. There is also a requirement that an annual report be delivered concerning Value Engineering savings. And lastly, there is also a requirement to provide a progress report on the Statewide Strategic Transportation Plan.

Attachment A: Details the status of projects opened to traffic during calendar year 2011 over \$10 M in value
Attachment B: Status of active construction projects over \$10 million in value
Attachment C: Status of active projects under design greater than \$10 million in value
Attachment D: Summary of Value Engineering activities for FY 10
Attachment E: Statewide Strategic Transportation Plan Progress Report

In accordance with OCGA 32-2-41.2, we will also publish these reports on our website. (See www.it3.ga.gov)
