Upcoming Events

A celebration kick-off for the 14-mile resurfacing project awarded to Pittman Construction on Deepstep Road/CR348 in Washington County is scheduled for Monday, May 12th at 11:00 AM. Look for additional details coming out soon.

TIA in the Community

State Transportation Chair Don Grantham and TIA team members joined Mayor Deke Copenhaver and Augusta/Richmond County officials to mark the 100th anniversary of the Archibald W. Butt Memorial Bridge. The bridge on 15th Street is scheduled for a major rehab project made possible with TIA tax collections. Originally built in 1914, the \$1.5 million Butt Memorial Bridge work includes concrete overlay, reconfiguring the lanes to allow for a bikes and sidewalks and repair and preservation of the historical decorative elements such as the eagle lanterns.

Recently Completed TIA Project

The first TIA project let to construction by GA DOT on State Route 47 in Lincoln County was completed in March. The \$4.1 million project included a combination of federal funds and TIA collections, and enhances roadway safety with the construction of new passing and climbing lanes between Clarks Hill Lake and Lincolnton.

TIA in the Community

The River Valley Citizen's Review Panel held its first meeting of 2014 April 24th at the South Georgia Technical College in Cordele. Columbus Planning Director Rick Jones presented a status report on TIA projects in the Columbus area.
