Upcoming Events

The River Valley Region's Citizen's Review Panel is holding its first meeting of the year at 10:00 am on April 24th. The [meeting agenda](#) and location details are now posted.

New TIA Project Awarded

Washington County is the recipient of the most recent 100% TIA funded project award. A 14 mile resurfacing project for Deepstep Road/CR348 was awarded to Pittman Construction Company for \$1.76 million. The project, set to begin later this spring, begins at the county line and extends to the Fall Line Freeway.

TIA in the Community

Staff from the Department of Transportation's TIA Office and EEO Office participated in a small business outreach event in Macon on April 9th. State Transportation Board members Stacey Key (5th Congressional District) and Dana Lemon (13th Congressional District) were on hand to welcome the participants and share their knowledge of how small/women/veteran/disadvantaged businesses can tap into opportunities related to projects in the TIA program. *(Photos top to bottom: Stacey Key consults with business owner; participants sign in for session; Dana Lemon confers with business owners; participants network to discuss potential work after outreach session.)*
